SUBJECT: Inspection Survey of the Office of Training

REFERENCE: Inspector General's Memorandum No. 79-0493,
dated 9 May 1979; Same Subject

1. As requested by referenced memorandum, the Office of Training has reviewed the survey report transmitted by that memorandum and the attachment covering the Language School which was received separately.

2. We have attached a listing of factual inaccuracies in the report which warrant correction prior to submission of the report to the DCI. We have avoided commenting on the recommendations, suggestions or opinions reflected in the report, but for the record it should be noted that our silence at this stage in the process regarding any of the points covered by the report does not necessarily indicate our agreement or concurrence with them. In addition, in our comments listed in the attachment, we do not deal with any items of the report which might now be factually inaccurate solely as the result of organization or procedural changes which have occurred after the conclusion of the survey.

3. I would like to take this opportunity to express my appreciation for the professionalism and constructive
